Cleaning Product Recommendations
Long-Term Care and Skilled Nursing Facilities

Clean counts most

Working Side-by-Side with You for Positive Outcomes

Seniors have a variety of choices when it comes to housing and medical care these days. Whether it's a continuing-care retirement community or a nursing home, Contec® Professional can help facilities achieve the cleanliness that residents deserve and their families expect. Contec® has a long history of providing the best products for those places where clean counts most. High-touch surfaces, mission-critical sites, and other challenging environments are where we excel. We understand the operational complexities of achieving consistent outcomes, and we work side-by-side with our partners to help provide cleaner, healthier residential care facilities.

Contec® Professional offers a full product portfolio for housekeeping and maintenance teams to clean more effectively. Our single-use microfiber mops, wipes, and dusters help reduce the risk of cross-contamination. This may protect the most vulnerable residents from dangerous bacteria and pathogens. Our products also increase efficiency and improve the consistency in results. Relaundered mops and wipes can vary widely in quality, depending on how they've been treated. Not so with single-use Premira® mop pads and ContecClean® Cloths. Also, our ZeroGravity® hardware is durable yet lightweight, helping to reduce strain and ergonomic issues related to cleaning. This can be beneficial for facilities challenged with labor shortages.

Some of the areas where Contec® Professional mops, wipes, dusters, and hardware are used include:

- Resident bedrooms
- Bathrooms
- Dining areas and kitchens
- Activity rooms
- Medical treatment rooms
- Physical therapy and rehab spaces
- Fitness and wellness centers

- Lobbies and waiting areas
- Salons and barber shops
- Pharmacies
- Employee areas
- Offices and conference rooms
- Hallways and stairwells
- Elevators

For more information about how Contec® Professional can help your facility achieve exceptional cleaning results, please visit professional.contecinc.com or contact your local Contec rep.

Mops

We provide single-use microfiber mop pads, disposable string mops, spill pads, and more for cleaning and maintaining all types of flooring.

Wipes

Available in both perforated rolls and quarterfolded styles, we offer a wide variety of wipes for cleaning any surface.

Dusters

Our dusters come in multiple options for every hard-to-reach area and also can be used with our disposable dusting sheets.

Hardware

Along with patented backer plates, our ultra-lightweight hardware and space-saving accessories are developed to maximize cleaning efficiency.
