

STREAMLINING COMPLEX PROJECTS IS IN OUR DNA

With Diverzify's national accounts division, you gain a team of commercial flooring & surface care experts as invested in your national portfolio as you are.

OUR SEAMLESS SOLUTIONS

INITIAL CONSULTATION

Consultations and needs assessments **tailored** to each project's specific requirements, based on industry and market.

PLANNING & PROPOSAL

Transparent proposals outline all costs, reducing overhead and ensuring best value, making planning seamless.

PRE-INSTALLATION

Developing customized programs with clients to ensure **consistent** expectations across all project locations.

PROJECT MANAGEMENT

Coordinating logistics, scheduling, and materials tracking for **precise** project execution and minimal hassle.

POST-INSTALLATION

Providing **detailed** completion notices, quality assurance, and installer ratings to ensure satisfaction.

ONGOING SUPPORT

Offering **comprehensive** maintenance plans and reporting to maximize product longevity and performance.

YOUR GO-TO PARTNER FOR MANAGING MULTI-LOCATION COMMERCIAL FLOORING PROJECTS

What sets Diverzify National Accounts (DNA) apart is our full-cycle service, built on tailored project standards designed in collaboration with each client. Our process ensures that the experience and outcome in one location are precisely replicated in every other.

LEVERAGING THE COUNTRY'S LARGEST COMMERCIAL FLOORING AND INTERIOR SURFACES PROVIDER

DNA is backed by 65+ Diverzify-owned locations plus 7,500+ materials experts, trained installers, and surface care technicians.

THE **DNA** DIFFERENCE

SINGLE POINT OF CONTACT

Your Diverzify team, tailored to your industry and project needs, stays with you from planning through post-installation.

NATIONAL RESOURCES

Leverage our expansive national network to remove any local limitations or constraints on products or installation experts.

DAILY REPORTING

Receive universally formatted daily reports on your project, with visual and written updates and detailed next steps. You always know what's happening.

PURCHASING POWER

Secure priority access to a broad spectrum of materials at the most competitive prices, exactly when your project demands them.

VERSATILE EXPERTISE

Benefit from our comprehensive materials expertise, simplifying your project without the need for multiple subcontractors.

UNBIASED SOLUTIONS

We provide unbiased product selection from a wide array of high-quality materials, ensuring optimal fit and value for your unique needs.
