

RENOVATION INSPIRATION

Volume 3

YOUR RENOVATION. YOUR WAY.

We work with manufacturers worldwide to provide access to supplies that support your vision and your timelines for renovations, and we're the only supplier that offers a full range of tailored solutions built with your property or facility in mind.

OUR SUPPORT TIMELINE

Our team is here to support you from project concept to completion.

 <p>ADA Product complies with the Americans with Disabilities Act</p>	 <p>Direct Savings Solution Product is eligible for Direct Savings. See page 3 for more information.</p>	 <p>Energy Star Product meets Energy Star specifications. More information at energystar.gov.</p>
 <p>New Product Products are a new addition to our product offering.</p>	 <p>Made/Assembled in USA Product has been made/ assembled in the USA.</p>	 <p>WaterSense Certified to use at least 20% less water, save energy and perform as well as or better than regular models.</p>

HOW WE PASS SAVINGS DIRECTLY TO YOU

Our **Direct Savings Solution** reduces the number of stops your order will make before it gets to you, reducing the administrative and labor costs associated with traditional shipping methods. **This solution is available to all of our customers, nationwide.**

Look for this icon to find products eligible for our Direct Savings Solution.

ADDITIONAL BENEFITS

Organized and shipped according to your entire project's needs.

Products delivered straight to your facility so they are ready when you need them.

Fewer invoices and fewer deliveries and site visits to coordinate.

RENOVATIONS SUPPLY MADE SIMPLE

Any style, any budget, any project—the experts are here to help get you the resources you need, when and where you need them.

We've designed our renovations supply services to maximize your benefit and minimize the time, money and stress expended during the process. When you partner with us on a renovations project, you'll benefit from:

- A single point of contact for your entire renovation portfolio
- Customized service packages for every budget and timeline
- Manufacturer relationships and unrivaled product offering
- Online tools and resources available 24/7 to help keep track of your projects

We offer three unique supply solutions to help you save, and our team is standing by to help you determine which option best suits your project.
