ESSENTIALS

Everything You Need to Provide Valuable Peace of Mind

You want what's best for your residents—we want what's best for you. In 70+ years of service, we've crafted solutions that allow you to maintain spaces where your residents feel safe and their loved ones feel comfortable entrusting them to your care.

Table of Contents

ADA
Product complies with the Americans with Disabilities Act

EcoLogo
Products are certified for reduced environmental impact.

GreenSeal
Certification is based on performance, health, and sustainability criteria.

WaterSense
Certified to use at least 20% less water, save energy and perform as well as or better than regular models.

ANSI Grade 3
Meets residential building requirements.

ETL
Product has been independently tested and meets North American safety standards.

Made/Assembled in USA
Product has been made/assembled in the USA.

UL
Product meets UL standards for product safety, performance, environmental health and sustainability.

Call for Lead Time
Some items ship directly from the manufacturer or may require additional delivery time. Call for details.

Energy Star
Product meets Energy Star specifications. More information at energystar.gov.

New Product
Products are a new addition to our product offering.

DON'T GET CAUGHT WITH COLD WATER

Get fast, flexible financing for your commercial water heater purchase.

Up-to-date equipment helps your business stay competitive, and hot water keeps your residents comfortable. If you need to replace your facility's commercial water heater, you need to partner with Ferguson.

HOW IT WORKS

Once approved, you'll avoid upfront costs and benefit from 100% financing for up to $2 million[1] — not just for your equipment, but for installation, shipping, taxes and more, including:

- Water heaters
- Expansion tanks
- Valves and fittings
- Venting materials
- Parts and supplies

This all-inclusive, proactive approach puts your business first by offering a cost-effective, pre-approved way to finance your water heater purchase and stay ahead of unexpected difficulties.

Speak with our associates to learn more about the flexible financing program, pre-approvals and how to get started today.

[1]Financing offered through Ascentium Capital. Financing and instant decisions subject to credit parameters. Consult your tax advisor regarding tax incentives. Loans made or arranged pursuant to a California Financing Law license.

FERGUSON.COM/CWHFINANCING

24/7 Delivery

When an unexpected failure does occur, time is of the essence, requiring an Express Response that only Ferguson can provide. **Call 855-775-0601 or email NASPOC@ferguson.com to be connected with our national network of Hot Water Solution Providers, anytime, day or night.**

RENOVATIONS SUPPLY
MADE SIMPLE

Any style, any budget, any project—the experts are here to help get you the resources you need, when and where you need them.

We've designed our renovations supply services to maximize your benefit and minimize the time, money and stress expended during the process. When you partner with us on a renovations project, you'll benefit from:

- A single point of contact for your entire renovation portfolio
- Customized service packages for every budget and timeline
- Manufacturer relationships and unrivaled product offering
- Online tools and resources available 24/7 to help keep track of your projects

We offer three unique supply solutions to help you save, and our team is standing by to help you determine which option best suits your project.

DIRECT SAVINGS

You pick, we ship, you save. Consolidate your order and ship complete project packages straight to your site to minimize costs.

VALUE ADDED

Choose from a selection of name-brand or our high-quality brands and products stocked in cross-country distribution centers.

CUSTOM CHOICE

For properties that require specific products and brands, this solution offers fully customizable access to the specific SKUs you need.

Contact us today to streamline your next project.
