WELCOME TO A NEW WAY OF BUYING AIR FILTERS FOR YOUR BUSINESS

● OPTION 1 | Self-Service

Contact your Filterbuy representative to set up your Filterbuy Business account. Then you can order online and manage quotes, recurring orders, payment types, shipping destinations, invoices, and order history - from anywhere, 24/7.

● OPTION 2 | Full-Service

Work with your dedicated Filterbuy representative for total account management. They will prepare quotes, process orders, provide estimated delivery dates, and help with any shipping or payment issues.

● OPTION 3 | E-Procurement

Connect your E-Procurement system to the Filterbuy Business e-commerce platform to automate and streamline the entire purchasing process.

HERE'S WHY BUSINESSES ARE SWITCHING TO FILTERBUY:

- 1 PRICE**
Cut out the middle man and save money by buying wholesale direct from the factory. Buy more & save more - pricing automatically adjusts based on quantity.
- 2 AVAILABILITY**
We make 100,000 filters every day and always offer fast, FREE shipping.
- 3 FREE DELIVERY IN THE CONTIGUOUS US & CANADA**
We have strategically located distribution centers to get product delivered quicker. We are local in many markets and are continually expanding.
- 4 INDUSTRIAL FILTRATION OPTIONS**
Filterbuy's solutions serve industries such as manufacturing, technology, automotive, aerospace, pharmaceuticals, and more.
- 5 BROAD SELECTION**
Over 350 standard size options for pleated filters in multiple efficiency ratings, plus mini-pleats, ring panels, pocket filters, belts, v-cells, and more.

- 6 UNLIMITED CUSTOM SIZES**
We can make most any size custom filter for delivery in under 72 hours.
- 7 QUALITY MADE IN THE USA**
All Filterbuy brand products are made to the highest standards at our plants in Alabama, Pennsylvania, or Utah.
- 8 ORDER THE QUANTITY YOU WANT**
We do not require full case orders. Buy what you need and reduce your waste, inventory, and costs.
- 9 CONVENIENCE**
Do you have multiple buildings or sites and want the exact filters required delivered to each building or site? We can do that.
- 10 KNOWLEDGE**
Our team of filter experts can help you select the right filters for your application.
