

SALON EQUIPMENT FOR SENIOR LIVING

Shorter Back Height

to ensure a proper fit at the shampoo bowl for residents of all heights.

Open-Arm

to allow for self-stabilization during entry into and exit from the chair.

Gas-Assisted Recline

for a safe and supported recline vs. standard lever back release.

Low-hydraulic Base

for increased flexibility of fit to the shampoo bowl.

*PS Exclusive Classic
Access All-Purpose Chair

'Access' Footrest

oscillates 270 degrees for a completely unobstructed and safe entry/exit from the chair.
