VelocityEHS®

Chemical Management ✦AI

CHEMICAL INSIGHTS AT THE SPEED OF NOW.

PART OF THE VELOCITYEHS ACCELERATE® PLATFORM

How do you spot chemical hazards before they become headlines?

VelocityEHS helps you level up your chemical management. Get an ingredient-level view of your chemical inventory, powered by **VelocityAI**, and the info you need most to keep your people safe and stay ahead of regulatory compliance.

With **Chemical Management**, you'll have 24/7 access to all your SDSs from anywhere, support for secondary/workplace container labeling, and easier regulatory reporting. Our PFAS indicator even gives you a heads up about "forever chemicals" in your inventory, helping you make smarter decisions and avoid headaches.

> "
> Flexible, convenient, easy to use and explain to the employees. Great time saver over the old paper system that we had. I am very happy with the experience; from building the file to the roll out to the employees.
